Same great company with a new look

MVDE is ringing in the New Year with a New Look.

*Same great company,
Same great customer service*

From our family here at
Mountain View Dairy Equipment,
we sincerely hope you had a warm and
peaceful holiday season. We look
forward to our continued business
partnership in the New Year and wish
you much success in 2024!

Mountain View Dairy Equipment offers
repairs or replacements for mattresses,
gates, headlocks, curtains, fans, lights
and more.

We have an experienced welder on
staff that can make those tricky
welding repairs.
We have 40' and 60' lifts for rent or hire
us to make those high repairs.
Whatever your needs, MVDE's got you
covered.

Are your cows happy?

- Providing comfort for more than 30 years
- Optimum resting time helps reduce lameness
- Perfect balance between comfort and support

Animatress I Mattress Systems is a stall bed for most applications associated with your dairy operation. This superb Cow Comfort is for cows and heifers. It will provide years of reliable service with a warranty that can't be beaten!

Animatress I is an open cell foam pad that is covered with a heavy-duty poly plastic. This pad is covered with a 3mm rubber top cover that completely encases the pad the length of the run of stalls. This stall bed is used in all free stall applications.

We hope you are ready to join us at the 2024 VT Dairy Producers Conference Tuesday, February 20, 2024 8:00 am – 4:00 pm at the Double Tree by Hilton Hotel 870 Williston Road, Burlington, VT

Mountain View Dairy Equipment will be accompanied by Duncan Blaine from Unity Laundry. Together we can discuss your needs to better your farm.
